**STIPULATION TO CANCEL  
SETTLEMENT CONFERENCE**

COME NOW the parties and stipulate to cancel the settlement conference that is presently set for March 31, 2020, in the above-captioned matter. The parties agree that the plaintiff is in an at-risk group of persons in regard to the ongoing COVID-19 pandemic and that the defendants' representatives may be subject to corporate or legal restrictions on travel or attendance at court functions. The parties will, in lieu of the court-sponsored settlement conference, schedule a private mediation of this matter at least 3 months in advance of trial.

In the event the Court wishes to proceed with the settlement conference, the parties jointly request that the Court either (1) reschedule it to a later date or (2) allow all party representatives to be excused from personal attendance provided that they are available to be reached by telephone by their respective counsel at all times during the settlement conference.
